NEW ART/THEATER CLASS AVAILABLE FOR 4th and 5th Grade STUDENTS:
AN ICY, FREEZING COLD ART CLASS!!

With Set Design, Sculpture & Performance!!

In this specialized art class, a select group of students will work with Whoop Dee Doo Co-Director and internationally exhibiting artist Jaimie Warren (www.whoopdeedoo.tv) to present a live show for the PS 185 community. Together we will build an ice-based set, creating objects of various scales adopting a wide swath of artistic methods ranging from paper sculpture and *Papier-mâché* to painting techniques and lighting design.

Using simple and accessible materials, we will reimagine these objects to create a unique and immersive space. Digging deep to find our personal talents as individuals or in groups, we will assign icy-cold themes and build accompanying costumes and props. Lastly, we will brainstorm and create interactive games and skits to complete our incredible live show.
